## Provision of advice

### When will you receive a Statement of Advice?

You are required to receive a Statement of Advice whenever our Authorised Representative provides you with personal advice which takes into account your objectives, financial situation and needs. This Statement of Advice will contain the basis on which the advice is given, personal information, recommendations and information about fees, remuneration and associations which may have influenced the provision of the advice.

Thereafter, if your circumstances have not significantly changed, our Authorised Representative can provide you with another Statement of Advice or a Record of Advice as a confirmation of the advice provided. You are able to request a copy of these documents from our Authorised Representative at any time up to a period of seven years.

### Product Disclosure Statement

When our Authorised Representative makes a recommendation to acquire a particular financial product, you must also be provided with a Product Disclosure Statement from the issuing product provider which gives full details of the recommended product to assist in making an informed decision to acquire that product.

### Fee Disclosure Statement

A Fee Disclosure Statement will be issued to you in instances where you enter into an Ongoing Fee Arrangement with your adviser for a period greater than 12 months. The FDS will contain information about the services you received and the fees you paid during the period.

### Renewal Notice

A Renewal Notice will be issued every 2 years if you have entered an ongoing fee arrangement. The Renewal Notice will give you the option of renewing the ongoing fee arrangement.

### How will you pay for the services provided?

A fee may be charged for our services. This may be waived or partially offset by brokerage, commission or fees if you proceed. Upon implementation of the recommendations, our Authorised Representative may receive an upfront fee, commission (for risk insurance products) or a combination of both depending on how you agree to pay for the services. Fees can be based on the services received as agreed between you and our Authorised Representative. Costs and remuneration will be disclosed in your Statement of Advice.

A consulting fee may also be payable from time to time, depending on any extra work required. Further details are provided in the Adviser Profile section.
